DOMETIC RMV 5305 Reversible hinged Absorption refrigerator 12 V / 230 V

Reference: 9500001325

Based on the popular Series 4 fridge, the Series 5 are enhanced and more modern versions with useful interior LED lights, energy-saving temperature control and handy door storage. They have been perfectly tailored to the available space available in motorhomes whilst featuring a remarkably spacious interior. Available in sizes ranging from 60–80 l in volume.

Compact outside dimensions make this absorption refrigerator a perfect fit for panel vans. It can be installed high-up into furniture, leaving enough space to fit a wardrobe underneath.

Removable freezer compartment
The freezer compartment can be conveniently removed to make room more fridge storage.

Rattle-free
Optimised shelf fixture – keeps bottles secure.

Safe and secure
Door with safe and robust push lock.

Designed for vans - with 8-series features
Compact outside dimensions make the new RMV 5305 absorption refrigerator a perfect fit for panel vans. It can be installed high-up into furniture, leaving enough space to fit a wardrobe underneath. Inside, the elegant newcomer to the 5-series offers ample capacity for fresh and frozen food. In terms of design, the RMV 5305 incorporates many 8-series goodies: removable freezer compartment, Automatic Energy Selector, user-friendly touch control panel. For enhanced convenience, our designers have added a safe and robust push lock for the door and a rattle free fixture for the adjustable shelves.
