

DOMETIC RM 8401 Left hinged Absorption refrigerator 12 V / 230 V

Reference: 9500001555

The 8 Series range of 3-way fridges are an adaptable and user-friendly collection featuring high quality models with many space saving features. These stylish design pieces are available in two door or large door models, with freezer compartments, innovative design elements and a pleasant ice-blue, energy-saving LED interior light. The interiors can be altered to fit your needs.

This 95 l fridge is both flexible and easy to use. Remove the freezer compartment and re-arrange shelves to have it just the way you need it. Also perfectly silent.

Great cooling service

With its patented removable freezer, the 95 l Dometic RM 8401 really is designed to take care of your every cooling need, with minimum fuss too. As well as the helpful freezer design for easy removal, it has a secure door lock, an option for a vent and fingertip door opening. But, perhaps best of all, it's perfectly silent. So it will keep your drinks cool without disturbing you!
