

DOMETIC DS 600 Refrigerator 230 V

Reference: 9600026678

NO LONGER IN PRODUCTION

When there is no room for an ordinary refrigerator it is a Silencio miniCool which provides silent cooling comfort. Chilled drinks and food right at your finger tips all the time. All Silencio models are food suitable – which is unique in this class.

This 43 l mini fridge with high cooling performance is ideal for fresh food storage. Reliable, efficient and with fully automatic defrosting.

Everything at the right temperature

This 52 l miniCool refrigerator provides reliable and efficient refrigeration

Cool flexibility

The 43-litre Dometic miniCool DS 600 offers sufficient cooling power to keep food fresh, giving you great flexibility of use. Fuzzy Logic technology and Cooling Unit Control (CUC) ensure efficient and reliable cooling performance that won't let you down. Store food and drink comfortably in this well-organised space, using door compartments, adjustable shelves and a sensor-controlled LED courtesy light.
