WATER-COOLED L226WU ICE MAKER

Available in black and white, Frigoboat ice makers produce between 24 and 31 kg of ice in 24 hours and store it in an extractable transparent container. Easy to install, it allows the regulation of the daily quantity of ice, and the temperature with thermostat. It adapts to any environment; the front air outlet allows a flush-mounted installation and it is possible to reverse the opening of the door. The hinges and locks are made of stainless steel to prevent corrosion and there is a safety lock.
