

MENNEKES COMBINATION OF SOCKETS IP67 AMAXX 941164

Reference: 941164

With AMAXX® you combine cleverly and save valuable installation time. Only one supply line, fewer drill holes, fewer cable and pipe clamps and only one housing with external mounting that allows installation by one person. The hinged housing cover opening to the side as well as the pull-out top-hat rails and the large connection compartment simplify the connection. AMAXX® is pre-wired for connection and tested for electrical safety and quality according to IEC 61439.

Technical Sheet

Sockets configuration	6 x 230V 16A 3P CEE
Protection degree	IP67
Material	Plastic
Length (mm)	185
Width (mm)	225
Height (mm)	520
Product type	Socket box
Fusing	1 x RCD 40A, 4P, 0.03A - 6 x MCB's 16A, 1P+N, C
Pre-fuse max. (A)	32
InA (A)	32
RDF	1
Connection / Feeder cable	1.5 m H07RN-F5G4 with plug 32 A, 5P, 400 V
Weight (Kg)	5.42
