

SCANGRIP NOVA-EX R - Explosion proof projector Zone 1/21 - 4000 Lumen

Reference: 03.5618

SCANGRIP NOVA-EX R - EX PROOF LED

Rechargeable LED lamp providing you complete flexibility everywhere where there is no access to electricity.

The new SCANGRIP NOVA-EX R explosion proof work light is very powerful COB LED work light providing extremely bright illumination. It is designed with the newest state-of-the-art LED technology for the professional user.

The new COB (chip on board) LED technology provides a uniform and completely even illumination with a high CRI (colour rendering index) value close to daylight which is particularly effective as work lighting.

Depending on the work task in question, with the SCANGRIP NOVA-EX R you can choose between 2 illumination modes: 50% and 100%, respectively.

Extreme durability

The body of the SCANGRIP NOVA-EX R is made of diecasted aluminium and shockproof to endure even strong strokes and shocks. The work light endures the rough, wet and dirty conditions of the professional working environment, and withstands even outdoor work in all kinds of weather conditions, as it is completely waterproof (IP65).

By the integrated carrying handle it is convenient to carry the light from one work place to the other. The flexible stand can be used as a hanger and to position the lamp in the desired angle.

The following accessories approved to be used in explosive atmosphere are available to position the SCANGRIP NOVA-EX R during your activity: TRIPOD EX, MAGNETIC BRACKET EX, and SCAFFOLDING BRACKET EX.

ATEX certificate no. TÜV EN 16 ATEX 081 X
