DOCUMENTATION

Capacity: 37 l

Can hold up to three 1.5 l bottles vertically

Two sturdy castors, pull-out handle and side handles for lifting ensure excellent portability

For use in cars and interiors with dual voltage system

Double lid minimizes cold air loss

Cable compartment in the lid for tidy storage when not in use

Removable divider allows you to modulate the internal configuration

FREEDOM AND EASE OF MOVEMENT WITH PORTABLE REFRIGERATION

Thanks to the sturdy wheels suitable for any type of surface, Mobicool MT38W AC/DC is the ideal complement for your next picnic. The wheel axle outside the base and the telescopic pull-out handle make transport easy. This spacious 37 l portable fridge with double voltage is suitable for use with the vehicle's 12 V battery or from a landline socket. The double lid minimises cold dispersion, while the removable interior divider and cable compartment keep everything in order. Move around freely with friends - there's enough room for everything!

Technical Sheet

Length (mm)	580
Width (mm)	300

Height (mm)	400
Dry weight (Kg)	6.4
Input voltage (V)	12 V - 220/240V
Product type	Thermoelectric cooler
Colour	Blue
Capacity of the refrigerator (L)	37
Climate class	ST
Energy class	A++
