

HONDA 50 CM EXTENSION FOR UMC

Reference: SSES SE

Honda 50 cm extension for Versatool UMC 425 E and UMC 435 E

50 cm extension for Versatool Honda UMC 425 E and UMC 435 E multi-function implement. With the Versatool there is no need to climb a ladder: the range of tools includes extension shafts that allow you to easily reach elevated garden areas. Thanks to the 50 cm or 1 m trees, the hard-to-reach branches or towering hedges will be within easy reach. This extension tree is 50 cm long.
