

WHISPER W-SQ PRO 15 MOBILE GENERATOR 15KVA SINGLE-PHASE AVR

Reference: 41207020

WHISPER W-SQ PRO 15 MOBILE GENERATOR 15KVA SINGLE-PHASE AVR

WHISPER W-SQ PRO 15 Single-phase mobile generator with diesel-powered Kubota V1505 BG engine delivers a power of 15KVA, **complete with AVR voltage regulator.**

The mobile generator is powered up, equipped as standard with a robust acoustic capsule with anti-corrosion metal plating and insulating material for optimal sound reduction. Hearing protection is a must, equipped with easy access to all sides of the generator and offers access to all maintenance-related components from one side only.

Each WHISPER W-SQ PRO 15 generator designed for non-stop operation at 1500 rpm in difficult conditions. The engine is; water cooled and kept at a constant temperature via a heat exchanger.

Thanks to the electrical stabilizer of AVR technology that works at very low distortion, WHISPER W-SQ PRO 15 delivers constant current loads without voltage peaks that could damage electrical and electronic devices. Another advantage of the inverter is; that of working with variable engine revolutions, based on the need; current to be supplied, optimizing fuel consumption, gas emissions and wear of mechanical parts. Automatically operate air conditioning/heating systems, heavy tools, compressors, cookers, lights, refrigeration and cooling systems, computers and more. All at the same time, depending on the load.

VOLTAGE REGULATOR

WHISPER W-SQ PRO 15 is the perfect solution for the WHISPER W-SQ PRO 15, equipped with AVR which, mounted on an alternator, allows a generator set or current generator to stabilize the output voltage and does not damage the connected sensitive electronic devices. In the modern market, inverters have made a huge step forward in terms of technology and performance; for this reason the best brands of generator sets and alternators in the world are moving along this line of thought.

An important feature of the SQ Pro range is the; the 7-inch color touch screen control that will be; connected with WhisperCare. This allows complete control of the W-SQ Pro 15 generator system. A perfect solution for instantaneous and/or historical information with an attractive display.

DeepSea Control Features (Optional)

- Features; group parallel included (ask for more details)
- Provides secure and easy offsite monitoring (optional)
- Allows you to quickly resolve fault conditions and provide instant system information to aid in preventive maintenance
- Graphic displays showing, graphs, meters, power display, graphs and engine status information
- The information is displayed clearly and in a universal format for all users
- Language of your choice

Technical characteristics WHISPER W-SQ PRO 15:

Phase Type: Single Phase
 Maximum Power: 15.6 KVA / 12.5 KW
 Continuous Power: 15 KVA / 12 KW
 Fuel: Diesel
 Voltage: 230 V
 Frequency: 50 Hz (60 Hz)
 Engine: Kubota V1505 BG
 Emission standard: Not Emitted
 Number of cylinders: 4
 Engine speed: 1500 rpm
 Acoustic power: 55 dBA
 Voltage regulator: AVR
 Length: 1145 mm
 Depth: 625 mm
 Height: 690 mm
 Net Weight: 410 kg

Technical Sheet

Phase	Single phase
Maximum power single phase (KW)	12.5
Continuous power single phase (KW)	12
Maximum power single phase (KVA)	15.6
Continuous power single phase (KVA)	15
Fuel	Diesel
Frequency (Hz)	50
Voltage (V)	230
Engine	Kubota V1505 BG
Emissions Regulations	Not Emitted
Engine rpm (rpm)	1500
Number cylinders	4
Cooling	External radiator cooling
Acoustic pressure	55 dB(A)
Length (mm)	1145
Width (mm)	625
Height (mm)	690
Dry weight (Kg)	410
Silenced	Yes
Super silenced	Yes

Product type	Generator
Voltage regulator	AVR
Engine manufacturer	Kubota
