

VITRIFRIGO Evaporator PT4 GR

Reference: R10340-GR R-EVAP PT4 GR

VITRIFRIGO Evaporator PT4 GR

VITRIFRIGO Evaporator PT4 GR the versatile solution for refrigeration

The VITRIFRIGO Evaporator PT4 GR plate evaporator is a versatile and reliable solution for the refrigeration of small to medium sized rooms.

Easy to install

The VITRIFRIGO Evaporator PT4 GR is easy to install, thanks to pre-drilled holes. It can be adapted to the shape of the compartment to be refrigerated, for perfect installation.

The VITRIFRIGO Evaporator PT4 GR is made of high quality materials and designed to last. It is a reliable choice for any refrigeration need.

Technical characteristics VITRIFRIGO Evaporator PT4 GR

Version code without quick couplings: R10340

Version code with quick release couplings: R10340-GR

Width: 350 mm

Height: 350 mm

The VITRIFRIGO Evaporator PT4 GR plate evaporator is a versatile and reliable solution for the refrigeration of small and medium sized rooms. It is easy to install and can be adapted to the shape of the compartment to be refrigerated. It is made of high-quality materials and designed for durability.

The PT4 GR evaporator is designed to ensure effective cold distribution to keep your food fresh and tasty

It is the ideal choice for anyone looking for a high-quality evaporator that offers high performance and energy efficiency

The PT4 GR evaporator is the perfect solution for those who want to create a customised refrigerator or cold store.
