ACER Portable Solar Panel 400W

Reference: ASP330

ACER PORTABLE SOLAR PANEL 400W

ACER Portable Solar Panel 400W Unleash the clean power of the sun and power your sustainable lifestyle with the revolutionary.

A concentrate of technology in a compact and versatile design:

Ultra-small dimensions: 2890 x 958 mm for unprecedented agility.

Acer Foldable and lightweight: portable anywhere, weighing just 19.3 kg.

Adjustable angle stand: precisely position it to maximise sun absorption.

Guaranteed robustness: withstands dust, water and shocks thanks to IP67 certification.

ACER Solar Panel **Uncompromising efficiency:**

100W peak power: captures the sun's energy, with a conversion efficiency of up to 23%.

Acer Advanced Technology: High efficiency 166 x 166 mm monocrystalline cells for superior performance.

Universal compatibility: perfect for powering portable batteries, smartphones, laptops and any device with a USB port.

ACER Solar Panel **Safety and reliability come first:**

Strict certifications: manufactured in compliance with international safety standards.

Maximum system voltage of 1000V: for safe and durable use.

Wide operating temperature range: -10°C to 65°C for power in every season.

ACER Portable Panel 100W: your key to an independent and sustainable energy future.

Main features ACER Portable Solar Panel 400W:

Dimensions: 2890 x 958 mm
Weight: 19.3g
Folding and portable panel
Adjustable angle stand
IP67 waterproof certification
Peak power: 400W

Conversion efficiency: up to 23%.
Cell type: Mono (166 x 166 mm)
Maximum power voltage: 36V
Maximum current: 11.6A
Open circuit voltage (VOC): 23.4V
Rated short-circuit current (ISC): 14.3A
Maximum system voltage: 1000V
Temperature range: -10°C ~ 65°C

Foldable and lightweight: easily transportable wherever you go, thanks to its compact design and low weight,

for clean energy always at hand.

Adjustable angle stand: Position the panel precisely to maximise solar energy absorption,

at any time of day.

A stylish addition to your lifestyle: The Acer 400W Solar panel

is an innovative design product that enriches your life with a modern and sustainable touch.

Harness the sun's inexhaustible energy and choose the ACER 400W Portable Panel: your source of green energy always with you!
