VITRIFRIGO DW210 OCX2 BTX IM FREEZER-FREEZER

The VITRIFRIGO DW210 OCX2 BTX IM is a double freezer with an innovative design and advanced functionality, designed to meet the modern needs of food preservation. Belonging to the series of stainless steel drawer refrigerators and freezers, the DW210 OCX2 BTX IM offers an elegant combination of style and practicality.

With a total capacity of 182 liters, the VITRIFRIGO DW210 OCX2 BTX IM provides ample space to store all your fresh and frozen foods. The upper compartment has a capacity of 78 liters, while the lower compartment offers 104 liters of space, ensuring efficient food management.

Made of high-quality 316 stainless steel, the VITRIFRIGO DW210 OCX2 BTX IM not only adds a touch of elegance to your kitchen but is also extremely durable and long-lasting. The redesigned design features a squared satin stainless steel door and a top with glossy finishing elements, giving it a modern and sophisticated look.

One of the distinctive features of the VITRIFRIGO DW210 OCX2 BTX IM is its installation flexibility. Thanks to its unique fixing profile, the refrigerator can be positioned either in a door outside or door inside version with simple profile translation operations. Additionally, the profile is equipped with a recessed groove that optimizes perimeter ventilation, ensuring optimal performance.

The VITRIFRIGO DW210 OCX2 BTX IM is equipped with several advanced features to enhance your user experience. The "Vent Position" allows leaving the door slightly ajar during periods of non-use, preventing the formation of molds and unpleasant odors. The internal LED light ensures perfect illumination inside the refrigerator, while the LED thermostat allows precise temperature settings.

The efficient and sturdy drawers of the VITRIFRIGO provide ample space to organize food neatly and accessibly. The "Steellock" closure ensures a perfect seal, while the "Venting Frame" groove system improves air circulation and increases refrigeration efficiency.

In summary, the VITRIFRIGO DW210 OCX2 BTX IM is an ideal choice for those seeking a high-quality freezer with an elegant design and advanced functionality to ensure optimal food preservation. With its reliable performance and versatility, this appliance stands out as a practical and long-lasting investment for your kitchen.

Technical Specifications VITRIFRIGO DW210 OCX2 BTX IM:

Total capacity litres: 182

Upper compartment capacity litres: 78
Lower compartment capacity litres: 104
Net weight: 66 Kg
Power supply: 230Vac (115Vac optional)
Nominal consumption: 168W (115Vac) - 140W (230Vac)
Width: 739 mm.
Height: 893 mm.
Depth: 636 mm.
