

AGM Battery 12 V – 145 Ah

Reference: 40290062

Suitable for marine, mobile and solar energy systems and as a starter battery.

The WhisperPower 12 V - 145 Ah AGM battery is the most economical, maintenance-free battery designed for a long service life. WhisperPower 12 V - 145 Ah AGM batteries are based on VRLA (Valve Regulated Lead Acid) technology, i.e. they require little ventilation, do not have to be placed in an upright position and require no maintenance.
