DOMETIC kampa Cross Air

DOMETIC Kampa Cross AIR: Inflatable camper van awning - 3 m wide

Experience the ultimate in comfort and practicality when camping with the DOMETIC Kampa Cross AIR inflatable awning!

Thanks to the innovative Kampa Air Frame technology, this awning offers a large living area with high, vertical walls, ideal for relaxing, cooking or eating outdoors.

Key features:

Quick assembly and disassembly: The air inflation system allows you to assemble and disassemble the awning in just a few minutes, even by yourself, without the need for special tools.

Large living space: The high, vertical walls provide a large living area, perfect for enjoying outdoor leisure time

Clever design: The front panel with a 'D' door can be opened half or fully for greater access flexibility.

Weather protection: The large canopy provides safe shelter from sun, rain and wind.

Ground sheet with clip: Ensures a dry and clean environment inside the awning.

Windows with privacy curtains: Provide brightness and privacy when needed.

Mesh panels: Promote ventilation and reduce condensation.
