DOMETIC NRX 50S Compressor Fridge 44L Stainless Steel

DOMETIC NRX 50S: Design, Efficiency and Freshness for Every Trip

The DOMETIC NRX 50S is a 44-liter compressor refrigerator that combines stylish design with high performance and exceptional energy efficiency. Perfect for RVs, boats, or caravans, this refrigerator offers a versatile and reliable refrigeration solution for your adventures.

Key Features:

Innovative design: The sleek frameless door with stainless steel front and full-width handle gives the NRX 50S a sleek, modern look.

High energy efficiency: Thanks to Dometic technology, the NRX 50S boasts low energy consumption, ranking among the best in its class.

Versatile interior: The 44-liter interior space is well organized with adjustable shelves, fruit and vegetable drawers and a removable 4.4-liter freezer.

Advanced features: The user-friendly control panel allows you to adjust the temperature and choose from several operating modes (Eco, Boost, Silent). Winter mode ensures optimal performance even in cold climates.

Dometic Quality: Built with high-quality materials and reliable components, the NRX 50S is designed to last.

Advantages of the DOMETIC NRX 50S:

Quiet operation: The NRX 50S's quiet operation makes it ideal for comfortable use even during the night.

Ease of installation and use: The compact design and full-width door make it easy to install and access the interior compartment.

Food safety: The NRX 50S maintains the optimal temperature to safely store your food and beverages.

TECHNICAL FEATURES DOMETIC NRX 50S Compressor Refrigerator 44L Stainless Steel:

Product description: front compressor refrigerator
Door material: stainless steel
Input voltage, direct current: 12/24 V
Climatic class: T
