

Victron AGM Deep Cycle Battery 12V-240Ah

Reference: BAT412124081

Victron AGM 12V-240Ah Deep Cycle Battery

Victron AGM 12V-240Ah Deep Cycle Battery: Power and reliability in one.

This robust 12V-240Ah AGM battery is the ideal solution for those looking for reliable, long-lasting energy storage. Designed specifically for deep discharge cycles, this battery is perfect for off-grid applications such as campers, boats, photovoltaic systems and more.

Technical characteristics:

Capacity: 240Ah: guarantees a long autonomy, ideal for powering your devices even in the most demanding situations.

Voltage: 12V: compatible with most 12V electrical systems.

Compact dimensions: 522mm x 240mm x 224mm: fits easily into various spaces.

AGM technology: Ensures long life, vibration resistance and low self-discharge.

Deep Cycle: Designed to withstand numerous full discharge and recharge cycles without compromising performance.

characteristics:

Battery capacity: 240 Ah

Voltage: 12 V

Length: 522 mm

Width: 240 mm

Height: 224 mm

Weight: 67 mm
