

FISCHER PANDA Shock-mount - captive - BRB 60 A40 M10 SH40

Reference: 0002750

FISCHER PANDA Shock-mount - captive

BRB 60 A40 M10 SH40 / The set consists of 4 pieces.

Constrained shock absorbers are suitable for marine generators and vehicle generators. They absorb generator vibrations, minimizing noise, and ensure the generator is secured against slipping or breaking.
