

## Victron AGM Deep Cycle Battery 12V-220Ah

Reference: BAT412201084

### Victron AGM 12V-220Ah Deep Cycle Battery

Victron AGM 12V-220Ah Deep Cycle Battery: Power and reliability for your adventures

The Victron AGM 12V-220Ah Deep Cycle Battery is the perfect solution for you! Designed to deliver exceptional performance and long life, this battery is ideal for campers, boats, solar systems and more.

#### Technical characteristics:

Capacity: 220Ah: Provides a considerable energy reserve to power your devices for long periods.

Voltage: 12V: Compatible with most 12V electrical systems.

Compact dimensions: 522mm x 238mm x 240mm: Fits easily into various spaces.

Weight: 65kg: Robust and solid, but not excessively heavy.

AGM technology: Ensures long life, vibration resistance and low self-discharge.

Deep Cycle: Designed to withstand numerous full discharge and recharge cycles without compromising performance.

#### Features:

Battery capacity: 220 Ah

Voltage: 12 V

Length: 522 mm

Width: 238 mm

Height: 240 mm

Weight: 65 mm
