TELECO FLATSAT EASY BT70 Automatic Satellite Antenna

Reference: 20043

TELECO FLATSAT EASY BT70 AUTOMATIC SATELLITE ANTENNA

TELECO FLATSAT EASY BT70 is an automatic HD satellite antenna with 16 satellites stored in memory. TELECO FLATSAT EASY BT70 is equipped with a practical DVB-S2 control unit featuring an OLED graphic display and two buttons to start the satellite search or lower the dish.

TELECO FLATSAT EASY BT70 can also be conveniently controlled via Bluetooth from your smartphone using the free TELECO App, available for download from the App Store or Google Play. The control unit is also equipped with a CI Bus port. All software updates, when made available on the TELECO App, can be directly installed by the user via Bluetooth from their smartphone.

TELECO FLATSAT EASY BT70 is compatible with all TVs equipped with a DVB-S2 tuner and all satellite receivers. Safety system with automatic antenna closure when the vehicle is started.

TELECO FLATSAT EASY BT70, like other TELECO products, has an integrated efficient safety system.
For security reasons, the satellite antenna is closely linked to its internal control unit via the Serial Number. All Serial Numbers are registered in a TELECO Database. If someone steals or disconnects the external unit without authorization, they will not be able to obtain a replacement control unit without providing the Serial Number of the external unit and their name.

The TELECO FLATSAT EASY BT70 satellite antenna can be integrated with a kit to make the unit dual-output, allowing two receivers to connect to a single satellite antenna.
