TELECO FLATSAT EASY BT90 Automatic Satellite Antenna

Reference: 20044

TELECO FLATSAT EASY BT90 AUTOMATIC SATELLITE ANTENNA

TELECO FLATSAT EASY BT90 is the perfect satellite antenna for those seeking reliability and ease of use in a next-generation HD device. With 16 satellites in memory, it offers wide coverage to access your favorite channels in any situation.

The practical DVB-S2 control unit, equipped with a sleek OLED graphic display, allows easy operation with just two buttons: one for automatic satellite search and another to quickly lower the dish.

The Bluetooth control enables the TELECO FLATSAT EASY BT90 to be operated directly from your smartphone via the free TELECO App, available on the App Store and Google Play. Software updates can be easily downloaded by the user, ensuring top-notch performance at all times.

Compatible with all TVs featuring DVB-S2 tuners and satellite receivers, this antenna offers a universal solution for every need. Its safety system includes automatic closure when the vehicle starts, preventing accidental damage and ensuring durability.

Additionally, the TELECO FLATSAT EASY BT90 can be upgraded with an optional kit to transform it into a dual-output unit, allowing two receivers to connect to a single antenna. Its compact dimensions and weight of 11.6 kg make it ideal even for smaller vehicles, delivering high performance and a modern design.

Choose TELECO FLATSAT EASY BT90 for a cutting-edge satellite experience, combining advanced technology with unmatched safety.
