

BURGLAR-PROOF CAISSON 260 L

Reference: KType 100

ANTI-BURGLARY CAISSON 260 L

Burglar-proof box 260 L: Security and robustness at the service of your valuables

The 260 L burglarproof box is the ideal solution for protecting your valuables from theft and damage. Made of solid 2 mm steel sheet and coated with a durable powder coating, this box guarantees durability and optimum protection.

All-round security:

Concealed double lock: An innovative, concealed locking system makes it virtually impossible to force the caisson.

Airtight joint: The minimal distance between the lid and the caisson prevents the insertion of any tools, offering total protection.

Anti-tip cushioning kit (optional): This innovative system prevents the lid from accidentally closing, ensuring maximum safety during use.

Technical characteristics:

Capacity: 260 litres

Dimensions: 1000 x 540 x 480 mm

Weight: 58 kg

Material: 2 mm steel sheet, powder-coated

Why choose the Burglarproof Box 260 L?

Total protection: Thanks to the robust design and security locking system, your items will always be safe.

Versatility: Perfect for use in garages, workshops, construction sites and any other environment where extra protection is needed.

Durability: Made of high-quality materials to withstand wear and tear and the elements.

Additional safety: The optional anti-tip cushioning kit offers extra protection during use.
