

VITRIFRIGO Evaporator Plate PT 13

Reference: R10350-GR

VITRIFRIGO PT 13 Plate Evaporator

Versatile and easy to install, the Vitrifrigo PT13 plate evaporator easily adapts to different refrigeration requirements, providing flexibility in the configuration to the desired compartment.

We recommend using the predetermined holes for optimal installation. With cooling capacities of up to 170 litres, all units are 12/24V powered as standard and are supplied under nitrogen pressure, offering adaptable solutions for multiple contexts of use.

Technical specifications:

R-EVAP PT13 GR

Width: 585 mm

Height: 345 mm
