

VITRIFRIGO PT8 Plate Evaporator

Reference: R103026

VITRIFRIGO PT8 Plate Evaporator

Versatile and easy to install, the **PT8 plate evaporator** easily adapts to different refrigeration needs, ensuring flexibility in the configuration of the desired compartment.

We recommend using the pre-drilled holes for optimal installation. With cooling capacities of up to 210 liters, all units are powered by 12/24V as standard and are delivered under nitrogen pressure, offering adaptable solutions for a variety of applications.
