Vitrifrigo C420P TOP CLASS Absorption Refrigerator 33LT

The Vitrifrigo C420P TOP CLASS minibar is the compact and silent solution ideal for hotels, offices or environments that require efficiency and discretion. With its absorption technology, it guarantees extremely quiet operation, without the vibrations typical of compressor refrigerators.

Main Features Vitrifrigo C420P TOP CLASS minibar:

Compact and elegant design: Black color with single front opening.

Capacity and dimensions: Internal capacity of 33 liters for optimal capacity. The external dimensions are 420 mm (Length) x 390 mm (Width) x 554 mm (Height) and a dry weight of only 15 kg.

Energy efficiency: Equipped with the LPC (Low Power Consumption) system for intelligent consumption optimization. Energy class G.

Silent operation: Absorption technology and the internal motor unit ensure maximum silence, a crucial factor for hotel rooms or offices.

Technical characteristics:

Voltage: 230 V

Frequency: 50 / 60 Hz

Length: 420 mm

Width: 390 mm

Height: 554 mm

Dry weight: 15 kg

Product type: Freestanding refrigerator absorption

Total capacity liters: 33 L

Energy class: G

Color: Black

Opening: Single front door

Motor unit: Internal

Thermostat: Mechanical
