Dometic Residence AIR Stay

The Dometic Residence AIR Stay is the inflatable awning designed for those who want to transform their caravan into an even more spacious, comfortable, and protected environment. Designed to use the entire length of the caravan's track, it offers large panoramic windows and full coverage on three sides, creating a bright and welcoming living space.

Made from the exclusive Weathershield™ Stay material, it combines breathable walls with a robust solution-dyed polypropylene roof, ensuring tear resistance, weather protection, and maximum comfort in all seasons. The fully inflatable structure, with a single-point inflation system, ensures quick and effortless setup.

Featuring a 3-sided inflatable cover, removable zip panels, and new, updated internal blinds, the Residence AIR Stay allows you to customize the space according to your needs for light, privacy, and ventilation. The included waterproof base protects against ground moisture, while the supplied electric pump makes setup even quicker and easier.
