

Dometic Pop AIR Tour

Reference:

Dometic Pop AIR Tour

The Dometic Pop AIR Tour is designed for comfort, space, and maximum convenience on the road. Transform your pop-top caravan with the Dometic Pop AIR Tour inflatable awning.

Made from durable Weathershield™ Tour fabric, a tear-resistant, waterproof, and highly UV-resistant polyester, it provides reliable protection in all weather conditions. The AIR Frame air structure ensures quick setup without traditional poles.

The bundle includes complete equipment for immediate use: waterproof tarpaulin, internal roof liner, and zipped cover, for optimal insulation and protection.

Main features:

- Solution-dyed, tear-resistant polyester offers improved UV resistance and durability.
- Mesh panel behind the side window increases cooling in very hot weather.
- Large coverage, waterproof tarpaulin, and internal roof liner included as standard.
- Front panel can be rolled up. one side to open the entrance to the awning and allow air to circulate
- Tested to withstand 200 litres of water per hour per square metre, exceeding the London average of 70 litres per hour in the wettest month.

ATTENTION:

For all variants, the awning dimensions are:

Awning depth: 2450 mm

Maximum front height: 1950 mm

Connection height: 1840 - 1980 mm
