

Generator Three-Phase 130KVA Diesel - IVECO Engine

Reference: 130kvadmi

Generator Three-Phase 130KVA DIESEL - IVECO ENGINE

The Three-Phase 130KVA DIESEL Generator - IVECO ENGINE is the ideal solution for industrial and professional applications that require operational continuity, reliability, and high performance. Designed to ensure stable power supply, this three-phase generator is equipped with an Iveco FPT engine and a Stamford alternator, synonymous with quality and durability. The Three-Phase 130KVA DIESEL Generator - IVECO ENGINE offers a maximum power of 134 kVA and a continuous power of 122 kVA, making it perfect for construction sites, companies, production facilities, and energy backups. Operating at 1500 rpm and a 50 Hz frequency ensure optimized efficiency and consumption.

Thanks to its silenced structure, the 130KVA DIESEL Three-Phase Generator - IVECO ENGINE significantly reduces noise emissions, making it suitable even for noise-sensitive environments. The compact dimensions (2950 x 1056 x 1900 mm) and weight of 1668 kg allow a good compromise between robustness and ease of installation.

The 130KVA Three-Phase DIESEL Generator - IVECO ENGINE represents a professional choice for those who need a reliable, powerful generator built with high-quality components.

Main technical characteristics:

Phase type: Three-phase

Maximum three-phase power (KVA): 134

Continuous three-phase power (KVA): 122

Fuel: Diesel

Frequency (Hz): 50

Voltage (V): 400

Engine speed (rpm): 1500

Displacement (cm³): 4500

Number of cylinders: 4

Alternator: Stamford

Length (mm): 2950

Width (mm): 1056

Height (mm): 1900

Dry weight (kg): 1668

Silent: Yes

Product type: Generator

Engine brand: FPT Iveco

Technical Sheet

Phase	Three phase
Maximum power three phase (KVA)	134
Continuous power three phase (KVA)	122
Frequency (Hz)	50
Voltage (V)	400
Engine rpm (rpm)	1500
Engine capacity (cm ³)	4.50
Number cylinders	4
Alternator	STAMFORD
Length (mm)	2950
Width (mm)	1056
Height (mm)	1900
Silenced	Yes
Product type	Generator
Engine manufacturer	FPT Iveco
