OFF BY INDEL B PLEIN-AIRCON AIR CONDITIONER 12V + Lightbox Diffuser

OFF BY INDEL B PLEIN-AIRCON AIR CONDITIONER 12V is a compact and powerful roof air conditioner, designed to offer maximum comfort during your travels. Weighing just **25.3 kg** and compact in size (**800 mm long, 670 mm wide, and 246 mm high**), it fits perfectly in vehicles with a recommended length of **3 meters**.

This **12V DC** air conditioner boasts a remarkable cooling power of **1200 Watts (4100 BTU)**, ensuring a cool environment even on the hottest days. The current consumption is optimized, with an average of **16 amps/h in automatic mode** and a maximum of **42 amps/h**, and a **very low starting current** to avoid overloading the battery.

Equipped with a reliable **Samsung DC compressor**, it offers **3 fan speeds plus automatic mode**, with a maximum air flow rate of **350 m³/h** for effective air distribution. The supported ceiling thickness varies from **30 to 70 mm**, making it versatile for different installations.

For a cutting-edge user experience, the **OFF BY INDEL B PLEIN-AIRCON 12V CONDITIONER** integrates **Bluetooth and Wi-Fi connectivity**, allowing you to conveniently manage it remotely. Not only does it cool, but it also offers **antibacterial protection** and the "Timer" function (presumably a typo for "Timer" or "Advanced Settings") for even more personalized control of the on-board climate.
