VITRIFRIGO DP150iD Chromelock Refrigerator-Freezer 150LT: Space and Versatility for Your Adventures

The VITRIFRIGO DP150iD Chromelock Refrigerator-Freezer 150LT is the ideal solution for those looking for a compact yet spacious refrigerator-freezer, perfect for campers, boats or vans. With a total capacity of 150 liters, including 35 liters dedicated to the freezer, it offers ample space to store fresh and frozen foods during your travels.

Main Features:

Generous Capacity: With 150 liters of total capacity, you will have enough space to store everything you need.

Separate Freezer Compartment: The 35-liter freezer allows you to better organize your frozen foods.

Versatile Power Supply: Operates at 12/24Vdc, adapting to different power sources.

Low Energy Consumption: With a nominal consumption of only 670W, this refrigerator-freezer is efficient and helps you save energy.

Optimized Dimensions: The compact dimensions (526 mm wide, 1095 mm high and 530 mm deep) make it easy to install even in tight spaces.

Elegant Design: The black/grey color of the panel easily adapts to any decor.

Light Weight: At only 33 kg, it is easy to transport and install.
