

INDELB CRUISE 40 Cubic Refrigerator White

Reference: CRUISE 40 Cubic

INDELBCRUISE 40 Cubic Chest Refrigerator, White

INDELBCRUISE 40 Cubic Refrigerator, White is a compact and versatile refrigerator, ideal for installations where space needs to be optimized without sacrificing reliable performance. Thanks to its intelligent configuration, it can be used practically and functionally in various contexts, offering maximum flexibility.

With a capacity of 40 liters, the **INDELBCRUISE 40 Cubic Refrigerator White** guarantees excellent internal organization in a compact format. Its 420 x 435 x 585 mm dimensions make it suitable for efficient installations, while its light weight of 18 kg makes it easy to handle and assemble.

This model is equipped with a BD35F compressor, a reliable and high-performance solution with an energy consumption of just 186 Wh/24h, designed to offer efficiency and continuous operation. Furthermore, the freezer compartment can reach a temperature of 12°C, expanding the product's usability.

INDELBCRUISE 40 Cubic Refrigerator White is the ideal choice for those looking for a compact, efficient refrigerator with a clean design, capable of combining practicality, reliability, and excellent performance.

Technical features:

Capacity in liters: 40 liters

Dimensions W x H x D (mm): 420 x 435 x 585

Weight: 18 kg

Energy consumption (Wh/24h): 186

Compressor type: BD35F

Freezer compartment specifications: 12 °C
