

DOMETIC FRESHJET FJZ7 2200 AIR CONDITIONER 2200W

Reference:

DOMETIC FRESHJET FJZ7 2200 AIR CONDITIONER 2200W

DOMETIC FRESHJET FJZ7 2200 AIR CONDITIONER 2200W is the ideal solution for ensuring maximum climate comfort inside campers, caravans and recreational vehicles.

Compact, powerful and efficient, this air conditioner combines high performance with a modern black and white design, adapting perfectly to any installation.

Thanks to dual compatibility with frequencies of 50 and 60 Hz and voltage from 220 to 240 V, the DOMETIC FRESHJET FJZ7 2200 offers great versatility of use.

Its cooling power of up to 2200 W ensures rapid temperature reduction even on the hottest days, guaranteeing a cool and comfortable environment.

The system uses R32 refrigerant, more efficient and environmentally friendly than traditional gases, helping to reduce environmental impact without compromising performance. Furthermore.

Despite its compact dimensions (752 x 702 x 225 mm), the air conditioner maintains a high operating capacity with a low weight of only 30 kg, making installation and management easy.

Main features:

Frequency (Hz) 50 / 60

Voltage (V) 220 - 240

Length (mm) 752

Width (mm) 702

Height (mm) 225

Weight (kg) 34

Cooling Power 2200 W

Color White/Black

Heating Power 2000 W

Rated Cooling Current: < 5.8 A

Rated Heating Current: < 3.1 A

Required Fuse: Min. 6.5 A, Max. 16 A

Protection Class (Rooftop Unit): IPX5
