

## PRAMAC LIFTER HAND PALLET TRUCK GS25S2 1150x525 SINGLE ROLLER

Reference: TA54100Y000

GS series is a suitable practical solution meeting all the needs of manual handling.  
The GS PRO pallet truck is equipped as a standard with a start and exit roller and a more ergonomic handle.

### **Maximum pressure valve**

When the maximum load capacity is exceeded, oil pressure exceeds its maximum limit and the valve automatically locks the forks.  
Thus possible structural damage is avoided.

### **Varnishing**

Following an appropriate conditioning operation the frame is varnished with polyester powder at a temperature of 250° to guarantee maximum resistance to wear and atmospheric agents.
