DOMETIC UPPER RACK SHORT WITH GATE

Reference: 9105707096

No more tipping over! Safety edges for shelves in 9-series refrigerators will prevent food from falling out.

No more tipping over
Safety edges suitable for 9 series refrigerators. Designed to effectively prevent food from falling, they will prevent tipping over and breaking during the busiest walks. Easy to use, they fold down when you want to remove a food from the refrigerator. One of many wonderful Dometic accessories for absorption refrigerators.
