

FLEXIBLE EXHAUST PIPE

D. 275 mm ZINC

Product description:

FLEXIBLE STAINLESS STEEL MUFFLER-PIPE DOUBLE AGGRAPHATION Ø 275 MM

Muffler-Pipe ZINC 275 is a flexible hose made of AISI304 stainless steel and internal galvanized steel with double seam diameter 275 mm.

Our muffler are produced with a double crimping system to ensure maximum tightness and durability.

We guarantee, in addition to the adaptability of these products, a quality guaranteed by the raw material with which they are made and a control of our technical office, aimed at ensuring the effective functionality of the product itself.

The functionality of the Muffler-Pipe is guaranteed by the quality of the raw material with which they are made.

The functionality of the hoses is to absorb the vibrations coming from the engine and from the rest of the exhaust.
