

# DOMETIC NAUTICAL AIR CONDITIONING MCS T12

**Product price:**

**3.284,36 € tax excluded**

## **Product description:**

### DOMETIC MCS T12 NAUTICAL AIR CONDITIONING

DOMETIC MCS T12 is a nautical air conditioner with heat pump and suitable for use on boats. Hot air, cold air and dehumidification in one elegant unit, small in size and easy to install. The DOMETIC MCS T12 makes the perfect climate aboard yachts and boats.

The new DOMETIC MCS T12 uses the award-winning DTU unit for quick, easy and versatile installation. Inclined fan for custom mounting and composite sump with quick connect couplings and high quality anti-vibration insulation for quiet operation - the DOMETIC MCS T12 air conditioner offers true OEM quality in one kit. All components and mounting materials are included. The three available capacities, all with R-410A refrigerant, allow the systems to operate efficiently, providing air conditioning comfort to cabins of various sizes or designs.

Through an easy-to-use control panel, this ultra-compact unit creates the ideal climate on board. Adjustable fan with six speeds or automatically set speed. Equipped with all fixings and fittings, the nautical air conditioner DOMETIC MCS T12 is quick to assemble and creates the optimal climate with maximum convenience.

### TECHNICAL FEATURES DOMETIC MCS T12

Input voltage: 230 Vac

Input frequency: 50 Hz

Starting current - max: 22.00 A

Min circuit protection: 8.00 A

Max circuit protection: 10. 00 A

Refrigerator type: R410A - Contains fluorinated greenhouse gases

GWP: 2088

Refrigerant quantity: 326.02 g

CO2 equivalent: 0.681 t

---

Cooling capacity (ISO 5151): 3516. 85 W  
Power consumption - Cooling mode (ISO 5151): 1030 W  
Min cooling current consumption: 4.30 A  
Heating current consumption: 5. 30 A  
Number of fan speeds: 6/Automatic  
Operating temperature: 18°C to 30°C  
Thermostat controls: Electronic thermostat  
Depth: 315 mm  
Height: 318 mm  
Width: 519 mm  
Net weight: 23.6 kg

**Product features:**

Frequency (Hz): 50  
Voltage (V): 230  
Refrigerating yield: 12000 BTU / 3.5 KW  
Inlet power, refrigerating (KW): 1.03  
Length (mm): 315  
Width (mm): 519  
Height (mm): 318  
Product type: Air conditioner  
Coolant: R410A  
Weight (Kg): 23.6
