Product price:

1,143.00 € tax excluded

Product description:

The CRD Series of refrigeration is a range of elegant matt silver fridges that feature an award-winning design and well-proven compressor technology. These impressive and exclusive compressor fridges are designed to satisfy the most challenging of environments and their performance is outstanding, even at high ambient temperatures.

A stylish pull out fridge with cool blue interior lighting. Suitable for solar power.

Drawer fridge

Pull-out fridge and freezer, easy access to food and drink.

Simply slide

The fridge freezer drawer slides open smoothly.

Slide out and enjoy

Who doesn't appreciate seeing their food and provisions smoothly sliding out towards them? The 38.5 litre drawer fridge has a convenient way of letting you keep track of what you have and the bottles are firmly secured with a bracket. The removable freezer compartment makes space for more refrigeration if required. The perfect cooling solution, particularly for smaller boats. The fridge is available in two models: with a stainless steel front panel or in matt silver.

Cool in every way

This stylish pull out fridge is cool in every way. The Dometic CoolMatic CRD 50S has an approximate capacity of 38.5 l including a 6 l freezer and provides a great cooling performance. It's also boasts a stylish stainless steel look, solar power capability and a cool blue interior light. This premium design is perfect for a luxurious, flush mounting. This model is also available in matt silver.
