Product description:

DOMETIC COOLMATIC CRX 50S 45L Compressor Fridge Stainless Steel

The Dometic CoolMatic CRX50S is a versatile compressor fridge designed for use in vehicles with a maximum capacity of 45L.

The Dometic CoolMatic CRX50S is truly multifunctional as it can function as a fridge, fridge/freezer, or freezer. This patented invention features a removable freezer compartment and smart electronic solutions that regulate the compressor speed while saving energy. The freezer compartment can be removed to increase the available space, while the desired temperature can be manually set.

The Dometic CoolMatic CRX 50S uses an efficient compression system that ensures reliable and uniform refrigeration. You can adjust the desired temperature through the intuitive control panel, allowing you to keep your food at an optimal temperature. Additionally, the fridge is equipped with a rapid freezing function to safely store frozen food items.

The Dometic CoolMatic CRX50S offers the incredible versatility of a 3-in-1 solution, as it can be used as a fridge, freezer, or a combination of both. The desired temperature can be set through a flush-mounted soft-touch control panel on the inner wall.

The Dometic CoolMatic CRX50S also features intelligent electronics with automatic fan speed regulation based on the ambient temperature: maximum speed for high temperatures, low speed, and exceptionally quiet operation when the ambient temperature is low.

TECHNICAL SPECIFICATIONS DOMETIC COOLMATIC CRX50S

Product Description: Compressor Fridge

Door Material: Stainless Steel

Input Voltage, DC: 12/24 V

Climate Class: T
Air Humidity: Maximum 90%
Tilt Angle: Maximum 30°
Refrigerant: R134a
Refrigerant Quantity: 38 g
Net Volume: 45 L
Freezer Volume: 4.4 L
Length: 500 mm
Width: 380 mm
Height: 534 mm
Weight: 18 Kg

Product features:

Length (mm): 500
Width (mm): 380
Height (mm): 534
Dry weight (Kg): 18
Feed Type: 12 / 24 V
Product type: Refrigerator
Capacity of the refrigerator (L): 45
Freezer (L): 4.4
