

DOMETIC COOLMATIC CB 40 Compressor refrigerator 12/24 Volt DC

Product description:

NO LONGER IN PRODUCTION

The CB Series of built-in compressor refrigerators are the ideal choice in a boat or a smaller vehicle where space is limited as they can use the inside of a cupboard. This way, they make optimum use of said extra space, whilst perfectly matching the design of the interior. In very confined spaces, the detachable cooling unit can be fitted up to 1.5 m away.

This 40 l fridge is specially designed for confined spaces. Offering outstanding cooling performance at moderate ambient temperature, it is also suitable for solar operation.

Safely held

A handy basket to hold the contents of your fridge.

Set your own temperature

Vary the temperature as you wish and use energy efficiently.

Stay cool

Superb 40 l fridge for mobile living.

A fridge to fit any space

The Dometic CoolMatic CB 40 is the go to fridge for tight spaces. With low energy consumption and a detachable cooling unit, there are plenty of features to be enjoyed on this 40 l fridge. A handy 1.5 m lead gives flexibility of position and its temperature range of +10 °C to -12 °C allows varied use. Crucially for avid travellers, the CB 40 performs best in a moderate climate.
