

DOMETIC RM 5380 Left hinged Absorption refrigerator 12 V / 230 V

Product description:

Based on the popular Series 4 fridge, the Series 5 are enhanced and more modern versions with useful interior LED lights, energy-saving temperature control and handy door storage. They have been perfectly tailored to the available space available in motorhomes whilst featuring a remarkably spacious interior. Available in sizes ranging from 60–80 l in volume.

The 5-series of this much loved Dometic classic has an updated contemporary style and technical upgrades. This 80 l refrigerator with 5 l freezer is perfectly tailored for life on the road.

Sub-zero temperature

The 5 l freezer is very useful for long trips away.

The three-way to freedom

The three-way AC, DC and gas power gives you freedom to travel. Now in its latest version, the Dometic RM 5380 offers more than ever. Its temperature control saves energy, while the interior LED light and door storage for large bottles give added convenience. The remarkably spacious interior of this 80 l fridge, its flexible shelf system and silent operation make it the perfect compact fridge for mobile living.
