

DOMETIC BORDBAR TF 14 Portable thermoelectric car cooler

Product description:

Providing the utmost freedom for life's big adventures, Bordbar is a range of portable coolers giving you complete mobile cooling while driving in your car, van or any other vehicle that can provide 12 V DC or 230 V AC. With a cooling performance of up to 25 °C below the outside temperature, you can enjoy cool food and drink while taking in the sunset wherever you choose to go.

This thermoelectric car cooler is a genuine eye-catcher with its elegant textile cover. Super cooling performance.

Freshness for the taking

Stylish looks in silky champagne colour, cooling performance up to 25°C below ambient: this classic car cooler keeps up with the times. The Dometic BordBar TF 14 fits perfectly on the front passenger seat or one of the seats in the rear. Energy for cooling comes from the cigarette lighter socket. Handy extra: closing outside pockets for small storage and anything that doesn't need cooling.

Super-cool, inside and out

The Dometic BordBar TF 14 is a classic car cooler that will never be outdated. Easy to power through the cigarette lighter socket, the cooler fits perfectly on the front passenger seat or rear seats. A stylish design, the Dometic BordBar TF 14 comes in a silky champagne colour. Built for performance, it has reinforced insulation for cooling up to 25 °C below ambient temperature. With 14 l of storage and plenty of space for 2 l bottles, it is lightweight, compact, and easy to transport. Stay cool wherever you go!
