

DOMETIC DS 601H

Noiseless medical refrigerator 230 V

Product description:

NO LONGER IN PRODUCTION

This Dometic Silencio HC (Health Care) refrigerator is the perfect solution for hospitals and health centres seeking to keep heat-sensitive medicines between +2 °C and +8 °C. Integrated fan for constant temperature and audible warning is available if the door is left open for 20 s

The perfect solution for hospitals and health centers to keep heat sensitive medicines between +2 °C and +8 °C. Integrated fan for constant temperature and audible warning if door left open for 20 s.

Safe, secure and cool

This 52 l miniCool fridge is ideal for storing heat sensitive medicines

Safe and secure

With its reliably constant temperature courtesy of an integrated fan, the Dometic DS 601H is the noiseless solution for hospitals and health centres wishing to store heat sensitive medicines. Contents are cooled to between +2 °C and +8 °C. An audible warning will be triggered if the door is left open for more than 20 seconds. The miniCool DS 601H has a door lock for secure storage and drawers with flexible compartments for organised arrangement of medicines. An increased storage volume of 52 l compared to the DS 301H.
