Safe and secure

With its reliably constant temperature courtesy of an integrated fan, the Dometic HC 502FS is the ideal solution for hospitals and health centres wishing to store heat sensitive medicines. Contents are cooled to between +2 °C and +8 °C. An audible warning will be triggered if the door is left open for more than 20 s. The HC 502FS has a door lock for secure storage and drawers with flexible compartments for organised arrangement of up to 43 l of contents. The draws pull-out for added convenience.
