

FINI ADVANCED MK 103-200-3M COMPRESSOR WITH 200 LITRES TANK

Product price:

683,55 € tax excluded

Product description:

FINI ADVANCED MK 103-200-3M Compressor 3 HP - Horizontal tank 200 lt

MK103 - twin-cylinder compressor - wheeled - horizontal 200-litre tank - 10 Bar Max - single-phase - cooling manifold - wheels and handle.

The FINI ADVANCED MK 103 200-3M compressor is the reference for demanding hobbyists and professionals who want a reliable, high-performance and long-lasting machine.

It is equipped with an electric motor with a power of 3 HP, has a compressed air intake capacity of 365 liters of air per minute, can express a maximum pressure of 10 bar.

It has a horizontal compressed air storage tank of 200 litres.

The induction motor is characterised by its very long life and low maintenance requirements.

This motor is in fact free of brushes, the main component subject to wear in electric motors. The absence of this component gives the motor its proverbial durability.

Intake air production: 365 lt/min

Head type: twin-cylinder with cast iron cylinders

Suction type: single-stage

Lubrication: oil lubrication

Speed: 1375 rpm

Product features:

Phase: Single phase

Frequency (Hz): 50

Voltage (V): 230

Engine rpm (rpm): 1375

Number cylinders: 2

Power (KW): 2,2 KW - 3 HP

Maximum flow (m³/h): 21,9

Intake air (L/m): 365

Pressure (bars): 10

Tank capacity (L): 200

Acoustic power: 93 dB(A)

Acoustic pressure: 79 dB(A) at 7 m

Length (mm): 1460

Width (mm): 550

Height (mm): 950

Dry weight (Kg): 1030

Product type: Compressor
