## Product description:

### **HONDA HF2625HME RIDE-ON LAWNMOWER TURBOFAN CUTTING DECK 122cm**

HONDA HF2625HME lawn tractor designed & engineered with a new type of GXV690 engine even more docile, fluid that makes this lawn tractor easy to drive. Beautifully finished, HONDA HF2625HME is built to give you a beautiful lawn for every occasion.

This sturdy mower is perfect for mowing & trimming large lawns & gardens. HONDA HF2625HME offers precise mowing with 122 cm blades, hydrostatic control and a 350 litre grass catcher bag. Built for speed, the durable 690 cc HONDA HF2625HME is equipped with a constant speed maintenance system, comfortable seats & an anti-scalp cutting deck.

#### Performance so enjoyable you won't want to stop

HONDA HF2625HME lawn mower does everything possible to meet your needs because we know that mowing the lawn is not a job, it's a passion. HONDA HF2625HME lawn mower is robustly built with durability & strength in mind. Together with hydrostatically controlled transmissions for smooth & precise control, you'll care for your garden in easiest & most pleasant way.

#### Maximum control

Comfort is at your fingertips on HONDA HF2625HME lawn mower with the new ergonomically designed steering wheel. HONDA HF2625HME mower also features a steering knob that allows you to quickly turn the steering wheel to operate & manoeuvre near trees & bushes.

#### Stay charged

Does your phone need charging? No problem when working with a HONDA HF2625HME lawn mower. Just plug it in and place device in the convenient holder to charge it while you take care of your lawn.

---

### First class comfort

Particular care and attention to detail has been paid to design of seat, which is now most comfortable ever. The material is durable & soft to touch & this new design features folding armrests which further increases the comfort level of HONDA HF2625HME.

### A secure pocket

Practicality is one of strengths of HONDA HF2625HME lawn mower. This simple & practical accessory allows you to keep your mobile phone always at hand and avoid the risk of it accidentally falling while you are working.

### Fluid performance

Optiflow® is the unique airflow management system created by HONDA that offers superior collection performance with no more clogging of the collection duct. Versamow® is also present, a system that allows selective mulching. It allows mulching while mowing the grass, helping to create a natural fertilizer for a healthier lawn.

### Built to last

Anti-corrosion paint adds an elegant finish to the sturdy steel cutting deck to give HONDA HF2625HME lawn mower a more pleasant appearance for longer.

If you are looking for a lawn tractor similar to the HONDA HF2417HME but with different features? you can find our entire range [HERE](#).
