## Product description:

### **HONDA HRG 416C1 SK SEMOVENT LAWNMOWER 2.7KW**

HONDA HRG 416C1 SK semovent lawnmower that includes a large 42-liter grass catcher bag and 41 cm steel deck for a perfect cut.

The HONDA HRG 416C1 SK lawnmower is part of the IZY range, thanks to the boost of GCV petrol engines, the mower doesn't just make mowing the lawn easier, it's also easier to handle.

HONDA HRG 416C1 SK is very lightweight and with its low weight you can easily transport it. These mowers have been redesigned with 30% fewer components. In addition, the IZY range of mowers allows you to always have a perfectly maintained lawn with low maintenance costs. If you are looking for a lightweight and durable mower that is pleasant to use.

Clean lines and a finish that gives the idea of high quality, the IZY is beautiful to look at, as is the job it was designed for. On the IZY series you can choose between push type, single speed and Variable Smart Drive

IZY allows precise control of lowering or raising the deck to set the required cutting height on the HRG 416C1 SK mower. The super-strong pressed powder-coated steel deck is available in a variety of sizes; choose according to the size of your lawn.
