HONDA HRG 466C1 SKK EP LAWNMOWER WITH VARIABLE MULCHING

HONDA HRG 466C1 SKK EP lawnmower pfeatures a 4-stroke OHC engine and 46 cm cutting disk and Versamow selective mulching system.

HONDA HRG 466C1 SKK EPincludes a large 50-liter grass catcher bag and a 46-cm lightweight steel cutting disk that makes maintaining your lawn even easier.

HONDA HRG 466C1 SKK EP have been redesigned with 30% fewer parts, making them very lightweight and easy to transport. Moreover, IZY range of lawnmower allows you to always have a perfectly maintained lawn with low maintenance costs.

On IZY series you can choose between the push type, single speed and Variable Smart Drive; on this model you can be sure to get great performance and excellent handling.

Thanks to Versamow selective mulching device you can select, and adjust, amount of grass clippings spread on lawn just by moving a lever.

IZY allows precise control of lowering or raising the deck to set required cutting height on mower. Super durable pressed powder coated steel deck is available in a variety of sizes; choose according to size of your lawn.
