Product description:

HONDA HRG 536 SK lawnmower

HONDA HRG 536 SK lawnmower can count on a 4-stroke OHC engine and a 53 cm cutting deck. The single speed transmission offers excellent manoeuvrability and precise control with 4-point height adjustment of the cutting deck. This mower includes a large 66 litre grass catcher bag and a 53 cm light steel cutting deck that makes it even easier to maintain your lawn. The HONDA HRG 536 SK is part of the new IZY range. Now, thanks to the thrust of the new GCV petrol engines, the HONDA HRG 536 SK mower not only simplifies lawn mowing, it is also easier to handle. These mowers have been redesigned with 30% fewer components, making them very light and easy to transport. In addition, the IZY range of lawnmowers allows you to have a lawn that is always perfectly maintained with low maintenance costs.

If you're looking for a lightweight, durable mower that's pleasant to use, then the HRG 536 SK is made just for you. Mowing the lawn becomes much easier. After all, a garden is a place to relax, even when working.

Fit

Clean lines and a finish that makes the idea of high quality, IZY is beautiful to look at, as is the work for which it was designed.

Power or thrust

On the IZY series you can choose between the push type, single speed and Variable Smart Drive; on this model you can be sure of great performance and excellent handling.

The strength of steel

IZY allows precise control of the lowering or lifting of the mower deck to set the required cutting height on the HRG 536 SK mower. The super strong pressed powder coated steel mower deck is available in various sizes; choose according to the size of your lawn.
