Product description:

HONDA HRN 536C VY EH LAWMOWER 3,2KW WITH VARIABLE MULCHING

HONDA HRN 536C VY EH lawnmower features a 4-stroke OHC engine and 53 cm cutting deck and Versamow selective mulching system.

The HONDA HRN 536C VY EH includes a large 70-liter grass catcher bag and a 53-cm lightweight steel cutting deck that makes maintaining your lawn even easier.

These HONDA HRN 536C VY EH have been redesigned with 30% fewer parts, making them very lightweight and easy to transport. Moreover, the IZY range of lawnmower allows you to always have a perfectly maintained lawn with low maintenance costs.

On the IZY series you can choose between the push type, single speed and Variable Smart Drive; on this model you can be sure to get great performance and excellent handling.

Thanks to the Versamow selective mulching device you can select, and adjust, the amount of grass clippings spread on the lawn just by moving a lever.

IZY allows precise control of lowering or raising the deck to set the required cutting height on the mower. The super durable pressed powder coated steel deck is available in a variety of sizes; choose according to the size of your lawn.

The HONDA HRN 536C VY EH lawnmower comes complete with the Roto-Stop system, which offers the ability to prevent the blades from spinning while keeping the engine running. This system is useful when you need to empty the bag or move the mower from one area to another.
