## Product description:

### **HONDA HRG416XB BATTERY CORDLESS LAWNMOWER**

The HONDA HRG416XB Cordless lawnmower is a push mower equipped with a capacious 42 litre grass catcher bag and a remarkable 41 cm steel cutting deck.

Powered by a powerful 1 kW brushless motor and equipped with a new cordless battery technology, the HONDA HRG416XB Cordless lawnmower izy-ON mower sets the standard for cordless lawnmowers.

Rugged and durable thanks to its aluminium frame and deck, the izy-ON mower has a single speed that allows excellent pushing power. In addition, being lightweight, it allows excellent manoeuvrability even in tight spaces.

Built to reduce maintenance, it includes a high airflow collection bag to maximize collection, flexible deck height adjustment and Versamow™ selective mulching, so it can be adapted to the needs of every gardener.

The Honda HRG416XB Cordless lawnmower is IP54 certified for weather resistance, allows you to cut wet grass safely and can work even in the rain.

The Honda HRG416XB Cordless lawnmower izy-ON lawn mower provides the power and durability that the most demanding gardeners need.

The Honda HRG416XB lawnmower izy-ON lawn mower works with Honda's universal battery system, which means unrivalled performance all day long. It can handle areas up to 450 m<sup>2</sup>\* on a single charge, so you can safely mow even the most difficult lawns.

big.

And with the fast charger you can recharge in minutes.
