## **Product description:**

### DOMETIC SINEPOWER DSP212 INVERTER 150 W

DOMETIC SINEPOWER DSP212 is an inverter designed to transform 12 V battery voltage into pure 230 V alternating current.

Sensitive household appliances such as electric toothbrushes, laptops, TVs or DVD players require pure 230 V alternating current, just like sockets in the home. Exactly what your DOMETIC SINEPOWER DSP212 pure sine wave provides. This sine wave inverter ensures reliable operation of low power devices up to 150 W with the vehicle battery. DOMETIC SINEPOWER DSP212 is a high quality, innovative and versatile, safe and reliable sine wave inverter with many functions and comfort will make you feel at home. DOMETIC SINEPOWER DSP212 inverters offer everything you can expect from a pro device. Units up to 150 watts are lightweight and compact.

Integrated protection circuits prevent damage from overload, overheating, over and undervoltage. In the event of an overload, the inverter shuts down to prevent damage and automatically reactivates when back to normal. Another advantage is the low noise fan that adapts to the load and temperature conditions. Thanks to its wide input voltage range, the DOMETIC SINEPOWER DSP212 sine wave inverter works well even in modern vehicles with intelligent alternators.

## TECHNICAL FEATURES DOMETIC SINEPOWER INVERTER DSP212

Depth: 187.5 mm

Height: 50 mm

Width: 126 mm

Weight: 1.10kg

Input voltage (direct current): 12 V

Output voltage: 230 V

Output current: 0.6 A

Energy efficiency ?90 %

Continuous power at 25 °C: 150.00 W

Min. operating temperature: 0.00 °C

Max working temperature: 50.00 °C

Are you looking for a product with different characteristics? [HERE](#) you can find the entire DOMETIC range and other specialized brands.

Images and technical data are not binding and subject to change by the manufacturer.

**Product features:**

Frequency (Hz): 50

Protection degree: IP20

Output voltage (V): 230

Length (mm): 126

Width (mm): 187.50

Height (mm): 50

Input voltage (V): 12

Kind of wave: Pure Sinusoidal

Continuous power (W): 150

Weight (Kg): 1.1
